Optional Drop-off without parent-: Please review the option below carefully to determine if you wish to sign below:

The school also requires that every student be met at the door of the bus each day when the student is dropped off at his or her drop off point, by a parent, guardian, babysitter, etc. If parent or guardian will not be meeting their student at the bus stop then the below second release line also needs a signature or their student will not be permitted to get off the bus. NOTE: Any student returned to the school for parent pickup, will be charged the related after-school are fees each and everyday that a student is returned to the school campus by a bus driver. If this becomes excessive the student may be removed from the privilege of riding the bus: **I give my permission to have my student released from the bus without a parent, guardian, babysitter, etc. there to receive them**
