Amazing Math Websites!!!

Dear Parents,

If you are looking for more ways to enrich your child's understanding of math concepts that we have taught and that are up and coming, we have found some great, interactive sites for you and your child to visit and participate in.

Money

- <http://www.mccollam.com/fun/java/buyit/BuyIt.html>
- <http://fen.com/studentactivities/Piggybank/piggybank.html>

Measurement

- <http://www.apples4theteacher.com/measure.html>
- <http://www.funbrain.com/measure/>

Time

- <http://www.bbc.co.uk/wales/snapdragon/yeflash/time-1.htm>
- <http://www.kidsolr.com/earlychildhood/page4.html>
- www.teachingtime.co.uk/draggames/sthec1.html

Make plans to attend
Kindergarten McTeacher Night!
Wednesday, May 26th 5:00 – 7:00
McDonald's located 7515 W. Bell Rd.

Remember

Scrip Fundraising!

As the end of the year approaches, you can purchase Scrip gift cards that can be used at Dennis Uniforms. Remember CCS is able to earn 4% of each gift card purchased, with no extra cost to you.

Math

In chapter 28, we will be using addition and subtraction strategies to solve problems with higher numbers.
