Spelling Words

No Spelling Words this Week!

Don't Forget!

A great way to support your school is to purchase and use Scrip Gift Cards when getting your Dennis Uniforms! See CCS website for more information.

What We're Learning

Week of May 24th

Language Arts:

We will be reviewing concepts we learned throughout the year!

Don't forget to visit Study Island at StudyIsland.com. This is a great site to practice all of the third grade skills. It is a wonderful resource to use this summer!

Math

We will be working on larger digit multiplication and division. We will be using the traditional method as well as the distributive property to solve these problems.

Please remember it is **extremely important** that your child has **mastered** their multiplication facts from 0 -12!

CCS Core Virtue:

Joy

Core Knowledge

Social Studies

We will be learning about many different landforms and review concepts we learned throughout the year.

Thanks for a great year! We have really enjoyed teaching your children this year!

For Your Information
